National Player's Workshop

Dear Parents and Players,

On September 12, 2011 we will be beginning the National Player's Workshop for the 2011-2012 indoor season. The Tennis Institute NPW is designed for the player who is willing and able to do all that is necessary to be the best player he or she can be.

Our program:

1. Sessions are scheduled for three (3) days each week, Monday and Wednesday 4:00-6:30, (6:00-6:30 SPT-Sports Performance Training and Crossfit is required) and Friday 4:00-6:00 the duration of the indoor season ending Mid May, 2012. Those players who will be playing for their schools will end on or about March 2, 2012. Those players not playing for school teams end May 11, 2012.
2. Each player should play as many tournaments as possible during the school year keeping in mind school work should not suffer due to an athletic agenda.
3. Thiha, Matt and I will try to attend as many matches as we can to observe each player's performance, make improvement suggestions and follow through with a plan of action before the next match. Each match attended counts as a session attended though there will be no extra charge if the number of matches and sessions attended is greater than 24 per eight week period.

Fees:

1. The fee will be \$1190.00 per eight week period (3 days per week), \$920.00 (2 days per week, Monday and Wednesday only) this fee includes court time and instruction fee.
